NARRATIVE:

Deandre Jefferson is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include robbery, possession of firearm by a felon, possession of ammunition, receiving known stolen property, possession of marijuana for sale, possession of narcotic controlled substances, transporting alcohol by minor and failing to report. He has served multiple state prison terms, the longest being a 28 month term for ammunition possession. Jefferson was released from state prison to the supervision of the Los Angeles County Probation Department on February 12, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Jefferson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for ammunition possession is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
